Name	Boannan (slave of Ray`El)
Sex	female
Race	Cat Person (Cat Person)
Class	Mage/Seductress
Profession	Singer/Dancer
Level	14
Appearance	<p>Female Form: http://pictures.hentai-foundry.com/s/soranamae/452578/soranamae-452578-Alexandria.jpg Male Form: https://e621.net/post/show/1077052/anthro-armspits-balls-erection-feline-humanoid_peni</p> <p>Boannan is an affectionate and playful girl, who enjoys her time with people as many of her kind do. However, she also has an independent streak and does know how to fend for herself as the need arises. She stands a stout 5'5" tall. Her hair is long, and at night, falling well past her hips. She is well endowed, with large breasts and voluptuous hips. Her ears stick up and forward most of the time, but she is always curious. Her long, fluffy tail, often twitches playfully. Her eyes are large, wide set, and a deep, dark, expressive blue. She wears a soft, loose tunice, barely covering the swells of her body, and nothing else.</p> <p>Only has the wizard mark of her true Master, Ray`el upon her hip.</p>
Background	<p>Boannan was born on a wickedly dark night, her mother doing her best to find a dry place to birth. From the moment she was born, her parents knew she was different. She would often get herself into trouble by playing pranks, or letting her curiosity get the best of her. However, her parents nurtured this, as well as the use of her uniquely beautiful voice.</p> <p>Boannan was taught how to sing, and her music was so hypnotic that it could capture a listener with just a whispered note. Oftentimes, when she sang, she would dance with the music, bringing about even more of a seduction to those who watched. She would use her gifts to get what she wanted, and often times it was freely given.</p> <p>As she aged, she decided that she wanted to explore the world around her. Though it saddened her parents and family, they let her go. She curiously traveled from place to place, enjoying meeting new people and seeing new sites. Before long, she found herself in Belariath, and she hoped that she would soon find use for her talents here.</p>
